25X1 1. The laying of underground cables and the expansion work on the runway of the NEUBRANDENBURG-TROLLINHAGEN (N 54/U 67) airfield was still under way.

25X1 2. [REDACTED] the completion of the work would be probably delayed until 1 October 1949.

3. The airfield was occupied by a company of Soviet Air Force ground personnel. No motor vehicles were observed.

25X1 [REDACTED] Comment: Report confirms the previously reported reconditioning of the landing field and the expansion of the runway. According to previous information, the airfield was used by a fighter unit during the air force maneuvers.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
